Head Coaches Report: Not in attendance – he will be stepping down and he can't dedicate the time.

Referee-in-Chief; first year doing the position, 22 new refs this year, part of putting on the super clinic in conjunction with 4 other associations. Our refs were called on by other associations to help ref at different places. Posted new refs and we have taken on 20 refs, there is a two day clinic to start of the season. In August we need supervisors to help shadowing and off ice supervising, we are looking for about 3 more people to do this. The training would be in the 3<sup>rd</sup> week of Aug. Has heard back from many associations that they were impressed by our ref's.

Ice Allocator: New learning experience, next year try to inform the parents of the value of the ice, we only lost about 10 sheets, Most associations are paying a much more dramatic price, we had other associations knocking on the door to get extra ice.

Try to get the managers to work with the coaches and we hope that next year we would not lose any ice times. Tournaments were successful.

Referee Allocator: Not in Attendance, she will not be returning next year.

Equipment Manager: Thanks to Kevin Wooley, for helping out with the equipment. New jersey's handed out this year, and they looked good. We were able to provide socks to the players, and the other cost that was not anticipated were paying for coaches helmets.

Big donation by Bill Ranford this year, we have been handing out and get

A couple more equipment returns days set, if we get the first aid kits back then we can have them refilled by Western Equipment. There will be new hockey jerseys' for the 1 through 4.

Division Managers:

Juvenile: There were strong numbers to start but dropped due to school and work commitments. Big thank you to coaches Rick Lake, and Jim Hill and safety person.

Donna will not be returning as division manager

Midget: Success full year for midget, very interesting year, It was tough balancing and it was hard to deal with parents but this year had to deal with the players. Balancing wasn't to bad and Bud Sage did a great job with the teiring. Midget Rep team had a great year, the overall challenge was the number of players. 17 skaters on each team. It all worked

out well Daryl Fletcher advised that it was a great team coming together for gelling and went to provincials and placed 3<sup>rd</sup>.

Bantam: Difficult job balancing the two teams. They ended up in the same tier and worked out well. Bantam Rep team went to provincials they finished 4<sup>th</sup> place. It was a great fun time in Creston. Bantam rep team did win the banner for their team and the Bantam C team won a banner as well

Pee-wee: Successful year and noteworthy. A team won the provincials thanks to Mike Jessie and tim, 2 of the c teams contended for the banner. Al Hughes tournament over Christmas was smoothly run and fun for all participants. Thanks to all parents who helped run the teams and thanks to the coaches with out their commitment

Atom: Great year for all teams, 5 teams in divisions they placed in tier 2 level. 4 C teams were very competitivie and they did well. We went with smaller teams one team c won a banner and had three teams in the blue division, and we had two teams going for the banner. Also one team finished in gold division and placed 2<sup>nd</sup> in their division. Thank you to Doug Lane and staff, Jim Dent and Staff, Dwight Noda and staff, Ray Murphy and staff also Paul Manville and staff. Thanks to the parent for making the Bobby love tournament success. 6. Move to approval for the budget for year ending 2010, 2<sup>nd</sup> rob nasato, carried We came in pretty close to what was projected, this is the first time that we had 3 teams play in the provincials. We used half of the provincial travel funds to cover the costs for going to the provincials. We could have three teams going to provincials again next year, and we need to make aware the teams that they will need to consider this and start fundraising at the beginning of the years. We are running about 6 weeks early for the amount of registrations.
