### B. Before Arriving at the Arena

#### 1. Screen your child for COVID-19 symptoms **before leaving for the Arena.**

#### 2. Complete NWMHA Daily COVID-19 Screening Protocol

- Must be completed before entry into the Arena by EACH Player, and **all** scheduled game officials (Coaches, Team Manager, safety people and referees)
- The link to complete the NWMHA Daily Covid screening will be sent to visiting teams by the home teams HC Safety Person or designate.
- Referees will be able to scan a QR Code upon arrival before entering the arena.
- Entrance into the Arena and participation in the game will be denied if the Covid Questionnaire has not been completed and submitted.

### 3. Players must:

- Players are to be fully dressed upon entry into the Arena. Skates are suggested (with skate guards). Parents will **not** be allowed to enter the Arena to tie skates.
  - Bring their own pre filled water bottle and clearly label with their name; and
  - Adhere to appropriate hygiene and hand washing protocols prior to playing and going on the ice.
- 

**C. Upon Arrival at the Arena – Please arrive no more than 15 minutes** before your ice time. Do not congregate outside the Arenas. If you are early please wait in your car.

1. Everyone entering the arena should wear a mask. Players may remove their mask at the time that they put their helmet on.
2. Players will be able to enter the Arena 10 minutes prior to their ice time and must:
  - a. Be fully dressed except skates for players U15 and below;
  - b. Be as dressed as possible for GOALIES and U18 and above (they only have 10 minutes to get geared up);
  - c. Hockey Bags are allowed for Players if needed (DO NOT BRING ANY VALUABLES INTO THE ARENA) and Goalies may bring their equipment bag in;
  - d. If skates are worn into the Arena, skate guards must be worn;
  - e. When you are waiting outside the Arena two (2) metre physical distancing must be maintained.
3. The referees will be checked in first followed by the visiting team, then the timekeeper and scorekeeper, and then the home team.
  - a. The home team manager will check in the referees and the visiting team
  - b. The home team HCSP will check in the home team and the Timekeeper and Scorekeeper
4. Enter the Arena through the entrance doors:
  - a. Sanitize (or wash) your hands upon entry; and
  - b. Look for directional signage telling you where to go:
    - i. The referees will proceed to the referee room
    - ii. The visiting team will proceed to the dressing rooms – there is a maximum of 6 people in a dressing room. Coaches should remain within earshot of all dressing rooms. When ready to take the ice the visiting team should wait in the dressing room hallway – socially distanced – until they are signalled by a referee to take the ice.
    - iii. The home team will get ready to go in the lobby beside the ice surface in the designated seats and spaces marked. They will also wait socially distanced until signalled by the referee to take the ice.

- c. Referees will be the first to take the ice, followed by the home team, who will enter through the corner gate on the southwest corner of the rink (closest to the skate shop). The home team will skate straight to the benches and wait until the visiting team has arrived at their bench. The visiting team will enter the ice via the southeast end gate (close to the dressing room hall) and proceed straight to the visitors bench. Then warm up and the game may proceed under the direction of the referees.
  - d. Time and Scorekeepers will proceed directly to the scorekeeping bench inside the arena. Both officials must wear masks and have sanitizer with them. The timekeeper will sit in the box and the scorekeeper should stand socially distanced from the box as much as possible. The scorekeeper may approach the glass whenever is needed only for the purpose of communicating with the referees.
  - e. Team managers and HCSP (if not on the bench) will sit in the designated areas on the marked spaces socially distanced from each other on the designated bleachers (please see whiteboard upon entering the arena for bleacher designation).
5. Parents will not be allowed to enter the Arena or Arena lobby.
- a. Please ensure your child has their skates on with their skate guards, or you have arranged with one of your team officials to have them help with your child's skates.
  - b. If your child is a goalie please make sure you have arranged for a team official to assist with any additional gear.
6. **There is absolutely no off-ice warm up, running, stretching, in or around the Arena.**
- 

## **D. On the ice/during the ice time**

1. Only rostered Players, coaches, HCSP, team managers, Timekeeper, Scorekeeper and Referees should be in attendance for the duration of the ice time; Everyone must stay on the designated side of the arena for the duration of the ice time with the exception of the Time and Scorekeeper and the Referees;
2. The Time keeper or Scorekeeper may put on music using their own personal device if they wish for games only.
3. Two (2) metre physical distancing must be followed at all times as per Fraser Health Authority, excluding the players on the field of play; or a mask must be worn.
4. No spitting or spitting water on the player's bench or ice surface. If this happens you will be asked to leave the ice surface and Arena;

5. There will be no handshake at the end of the game. Players may line up with their team on their own blue line and raise their sticks to everyone instead.
  6. The visiting team and coaches will leave the ice first via the southeast gate that was used to enter the ice and head straight to the dressing rooms. The home team and coaches will leave via the southwest gate and proceed to their seating area, the referees will leave the ice and proceed to their dressing room, finally the timekeeper and scorekeeper will leave the arena into the lobby via the door on the west side of the ice surface (closest to the skate shop).
- 

## **E. Leaving the Arena**

1. Players must leave within 10 minutes of their ice time ending;
  2. Exit via the marked exit door maintaining physical distancing at all times after leaving the ice surface.
  3. Gathering in the parking lots outside of the Arenas is prohibited.
- 

## **F. Cleaning Protocols**

1. All high frequency touchpoints will be cleaned every 2 hours by Arena staff.
2. Dressing rooms, seating areas, players benches, penalty boxes and the scorekeeping box will be cleaned after every game.

We are all doing our best to ensure a safe return to hockey for players, parents, volunteers, and arena employees. Thank you for your cooperation 😊
